**“TurboJET: 45 Years of Sea Travel in Hong Kong and Macau” Exhibition  
Sharing Collective Memories in Fantastic Activities  
An Unforgettable Journey on TurboJET with Balia Chan and Soler**

(13 July 2007 – Hong Kong and Macau) Having been a loyal companion of Hong Kong and Macau citizens for many dedicated years, TurboJET is now celebrating the 45<sup>th</sup> anniversary of its service in the region. In commemoration of the remarkable moments, TurboJET welcomes all Hong Kong people to visit our “TurboJET: 45 Years of Sea Travel in Hong Kong and Macau” Exhibition and share your joyful memories with us. We are pleased to have invited Ms.. Balia Chan, a former Miss Macau and now a top model, together with Macau born-and-raised popular group, Soler, to share memories of their days in Macau and their TurboJET experiences in the opening ceremony. Dr. Stanley Ho, Chairman of Shun Tak – China Travel Shipping Investments Ltd., and Ms.. Pansy Ho, C.E.O. and director of Shun Tak – China Travel Shipping Investments Ltd., will be the guest of honour to officiate the ceremony.

**Unforgettable TurboJET Journeys**

Although she focuses on her career in Hong Kong in recent years, Ms. Balia Chan still maintains close relationships with her parents and friends in Macau and visits her hometown from time to time. “It’s always exciting to board TurboJET because it brings me the “homecoming” feeling. TurboJET is a bridge that connects me with my family and friends.” Balia added.

The pleasure of sea journeys on TurboJET has infused Soler with inspirations for the creation of their music, “The comfortable TurboJET journeys with quality facilities and pleasant services always make the 1-hour sailing a peaceful moment for reflections. The relaxing traveling experiences between Hong Kong and Macau also bring back lots of our precious memories. It definitely inspires our music” Soler exclaimed.

Since 1961, the shipping company operated by Shun Tak has been serving numerous passengers and offering them enjoyable journeys to work, to school and to vacation. The ships have formed an essential part of their everyday lives. While Macau has emerged as a world-renowned city, TurboJET also keeps improving its services to embrace the new challenges and meet the rapidly growing demand from passengers traveling between Hong Kong and Macau.

TurboJET now owns the strongest fleet of high-speed vessels in Asia, providing round-the-clock traveling experiences of ultimate comfort. In celebrating the 45<sup>th</sup> anniversary of TurboJET, TurboJET cordially invites everyone to revisit the historical moments and gather memories through the exhibits of various vessel models, classic TurboJET collections and valuable photos of celebrities and stars on board TurboJET including pop star Michael Jackson, China's astronauts of the Shenzhou VI and China's Olympics gold medalists.
