

**TurboJET presents Ultimate Summer Journey
Bringing Visitors “Summer Fever Go Go Goal” at Macau Tower &
Irresistible MET Card Privileges**

(August 4th, 2004 – Hong Kong) This summer, TurboJET partners with Panasonic, Macau Tower and MET Card in presenting “Summer Fever Go Go Goal”, a fabulous vacation surprise in Macau featuring irresistible privileges, entertainment and adventures.

From now until September 30th, upon presentation of ferry ticket stubs at Macau Tower, passengers of TurboJET Hong Kong – Macau route who successfully apply MET Card are entitled to a Macau gift pack worths HK\$475, including admission to the Observation Levels of Macau Tower.

Throughout the month of August, TurboJET will bring visitors into Macau to share the spirit of “Summer Fever Go Go Goal” via its Shenzhen and Hong Kong routes. Jointly presented by Panasonic, Macau Tower and TurboJET, the event combines consumer electronic fair, helistat ride and live performance. From now until August 31st, Panasonic customers will obtain a TurboJET discount coupon upon presentation of receipt of purchase and product warranty card at appointed Panasonic outlets. The coupon entitles a HK\$50 discount for a set of 4 TurboJET Hong Kong – Macau ferry tickets sailing on or before September 15. Successful applicants of MET Card will also be rewarded with the HK\$475 Macau gift pack.

Travelers from China are welcome to visit Macau and share the fun! No matter which Chinese cities the visitors are from, TurboJET can bring them into Macau via Hong Kong or Shenzhen. Passengers choosing TurboJET’s Shenzhen route will enjoy its shuttle bus service linking Fu Yong Ferry Terminal with Shenzhen downtown and Dongguan downtown respectively. With 25 shuttle bus departures serving the sailing schedules of all Shenzhen routes everyday, passengers are treated with further comfort and convenience. From now until September 30, customers purchasing Macau tour packages from appointed travel agents are welcome to apply for MET Card and receive the HK\$475 Macau gift pack.

Panasonic electronic fair at Macau Tower is the largest ever of its kind in Macau. Now staging in the atrium of the Tower until August 31, the fair features an impressive line-up of

stylish and life-enhancing consumer electronics spanning across the spectrum of audio/visual products, home appliances and telecommunications gadgets. Customers from Hong Kong may enjoy immaculate convenience of purchasing at the fair and retrieving the product in Hong Kong. Visitors of the Panasonic Fair will be entertained by a variety of live performances and product shows over the weekends.

Two helistats at the Tower's Outdoor Plaza is truly a whimsical attraction. Traveled all the way from the United Kingdom, this is the first time the two celebrate summer in Macau. The helium-lift balloons offer guests a fascinating flying experience ascending to 30 metres above ground. The magical experience matches that of walking on the Moon with the force of gravity dramatically reduced. Guests can bring home their happy flying experience at \$30 as Panasonic will capture the moments on DVD.

About TurboJET and TurboJET Sea Express

Operated and managed by Shun Tak – China Travel Ship Management Ltd, **TurboJET** delivers fast, comfortable and reliable service. It operates the only 24-hour ferry services between Hong Kong and Macau and during peak hours, it offers frequent sailings at every fifteen minutes departing from the ferry terminal in Sheung Wan, Hong Kong. The fleet also connects the Pearl River Delta region by operating routes that link Shenzhen with Hong Kong, Kowloon or Macau. In 2003, an air-sea transit service brand, **TurboJET Sea Express** was launched. A ferry service that links the Hong Kong International Airport with Macau and Shenzhen, TurboJET Sea Express benchmarks a new inter-modal connection that enhances the transportation network in the PRD region, which is now closely connected with the world. Cross-boundary passengers boarding TurboJET Sea Express at Sky Pier in the Hong Kong International Airport will be exempted from immigration procedures and may travel luggage-free as all luggage will be checked through to the final destination.

With 40 years in passenger shipping operations in the Pearl River Delta region, Shun Tak – China Travel Ship Management Limited owns Asia's largest fleet of 30 high-speed vessels and is constantly enhancing its services to exceed passengers' expectation.
